DETAILED ACTION

Allowable Subject Matter

1. Claims 24-27 are allowed.
2. The following is an examiner's statement of reasons for allowance: the prior art, either singly or in combination fails to anticipate or render obvious, the limitations of:
...selectively implanting the semiconductor substrate with ions through the openings in the patterned mask layer and diffusing the ions into the substrate, thereby defining a first implanted region associated with the first opening and having a first depth associated therewith and a second implanted region associated with the second opening and having a second depth associated therewith, and wherein the first depth is greater than the second depth, as required by claim 24.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
